New complaints -

12-050-9010 - An agency that operates CILA homes has been requiring consumers to pay for psychiatric evaluations from their personal funds. A guardian has approved \$100.00 to be spent for an updated Psychological for a couple of CILA residents. the guardian okayed \$100.00 on 1/22/10 for her loved one and another guardian recently okayed the funds to have a new psych. completed due to him being diagnosed w/Profound MR-yet he is more autistic and can read/write, etc. the guardian retracted the approval when the budget plan that was put in place for him to save up the money was completely awash when they took out \$90.00 to pay bowling fees for a Park District...this request was made before the annual 5yr. evaluation is due.
